# NANO

NANO is a vacuum cleaner small and lightweight, perfect for small environments, since it is handy and comfortable to use and to move.

It is equipped with a 1200 W motor and is suitable for a professional use. It is ideal for the daily cleaning of small and medium areas such as offices, hotel rooms or shops.

The big rear wheels and the front swivel ones ensure stability and manoeuvrability

The handy accessory holder enables to work with all the accessories within easy reach

The suction tube holder is very useful for storing the vacuum cleaner

Handy cord holder

The 10 m high visibility cable allows to work safely and comfortably also in wide areas.
