

## ALPHA 8100 - plastic trolley

### APPLICATIONS

Trolley ideal for waste collection and the transport of cleaning products and equipments.

### FEATURES

- Product partly made with PSV certified plastic components - Plastic Second Life: the first Italian and European brand of environmental product certification that guarantees and makes it easier to identify goods obtained using recycled plastics
- Made of high quality polypropylene copolymer: shock-proof, heavy duty and low-temperature resistant, light, non-toxic, completely recyclable
- Strong, tough, ergonomic, modular, easy to assemble and clean
- The base can be equipped with an additional fifth wheel in the middle to be much stronger in case of a heavy loaded trolley
- Vertical frames with slots for side baskets
- The fixed side walls and the side doors are completely smooth and upon request, they can be customized with drawings, pictures or logo
- The bagholder is completely closed for a better hygiene and the door helps the operator while emptying the bag from the front
- The bagholder can be equipped by a kit pedal which allows the opening of the cover by foot, without using the operator's hands
- The central basket has a label which can be customized writing the operator's name, the working area or other useful information
- Door for central storage compartment equipped with removable key and grip with key compartment
- Several combinations of shelves and drawers are available: drawers 10 L, 22 L, 40 L, equipped with slide out limiter, with or without lock
- The trolley can be equipped with hooks, baskets with dividers, carry baskets, handle holders and many other accessories: we suggest you to check our technical catalogue in the "components and accessories" section of our Alpha line of trolleys in order to know the complete range of the available accessories.
