

nLITE® POWER PAD

NEW

The new nLITE® PowerPad – for sensationally fast, effective and easy cleaning with pure water.

A new era is dawning for pure water cleaning. Once again, market leaders **UNGER** have come up with a ground-breaking innovation – the new **nLITE® PowerPad**, the ultimate alternative to brushes when **cleaning large ground floor glass surfaces**.

This outstanding cleaning tool is intuitive to use thanks to its intelligent and revolutionary design. It makes cleaning with pure water noticeably faster, easier and more effective.

The perfect tool for all experienced pure water professionals as well as those who are discovering **UNGER's** pure water technology for the first time!

PERFECT RESULTS IN AN INSTANT!

The **nLITE® PowerPad** is easy and intuitive to use. The sequence of movements is almost identical to that of classic window cleaning, meaning users achieve perfect cleaning results instantly without training time!

More advantages: The new **PowerPad** is fully compatible with all **nLITE®** and **OptiLoc** telescopic poles from **UNGER**, offering great on-site flexibility!

**FULLY COMPATIBLE WITH
nLITE® WATER FED
TELESCOPIC POLES**

**FULLY COMPATIBLE WITH ALL
OptiLoc TELESCOPIC POLES**

INNOVATIVE 360° SWIVEL

- **360° movement** up and down as well as left and right
- **Permanent contact** with the glass surface – even when working laterally
- **Easy and intuitive** manual tool – with S-shaped movements as with classic glass cleaning
- Can be locked in **7 working positions** for every type of use

360°

THE INNOVATIVE MICROFIBRE CLEANING PAD

- **Faster dirt removal**, as the microfiber cleaning pad has a larger contact area with the surface of the glass than a conventional brush with bristles
- **Self-cleaning effect** thanks to permanent pure water rinsing via the integrated Rinse Bar
- **Highly effective microfiber technology** for streak-free cleaning
- **Glides easily** over glass surfaces

RINSE BAR

Special rinse bar for powerful, uniform rinsing of the pad and glass over the entire width.
